May our Great God give you peace in this, your time of sorrow. Take comfort in the fact she is reunited with loved ones that have gone on before, you will see her again.....hugs.....*

“ Very sorry for the loss of your mom. Aunt Angie was always chipper and fun to see. Growing up I do not know how she could handle all of us kids when we came to visit. The house was always bustling and full of energy. She did a great job of raising all of you.... my cousins. I remember one of the times when we got together at grandma and gramps Burkhard's place and my head got laced open by a rock. Your mom was one of the aunts that helped patch me up. She had to have a lot of experience in patching up kids over the years and we sure gave her plenty of those. She has a very good legacy of family to carry on her memory and will always be remembered fondly. Randy..

“ Sorry to learn of the passing of Mrs. Burkhard. She lived kitty korner from our house thru the backyard. She was a hard worker—raising all those children. I used to go over to their house a lot as Cindy was my first friend and we played together daily. I will offer a prayer for the progress of her soul. Interesting that she passed on my dad’s birthday. Sending love.

“ So sorry to hear about your Mom. She was such a nice lady. Loved playing cards with her. I think I made her get out of her comfort zone when we did hat day and mustache day while playing cards. I will keep our good times in my memory. ❤️❤️
