“ *Dear Penny. I am so sorry at the loss of Anita. I feel like I lost my
biggest fan. I sure enjoyed her. I still see her the first time I met her
and she was so scared to go to surgery. I made a nurse hat for her
and it brings a big smile to my face seeing her in bed with that silly
hat on. She was my friend ever since. It was people like her that
kept me going when the going seemed tough.
I will keep you in my thoughts and prayers. Marge Stevenson*

surprised me and made me smile. When ever we ran into each

“ I met Anita when I was in the 9th grade & played Special Olympics Basketball for the first time. Ever since I had met her, we became friends. My greatest memory of her is when I had visited her in the Medical Care facility & she gave me a hug . Anita had a big heart & made a lot of friends. I know that I am sad to not see her anymore, but I also know that she is in a better place.

“ Anita loved church, Praising Jesus, and she was a precious part of God's family. She was always ready to sing when I play music and begged for more. She loved freely and taught us how. Thank God she is leading the worship at God's throne. Anita blessed my life.

*Penny,
I'm so sorry for your loss. I remember Anita when I worked at The Learning Center (Secretary) when you moved to the area. Initially, after first meeting her, I thought she was on the more serious side, then she gave me a hard time more often and we enjoyed many laughs. May you feel God's peace and the love of family and friends at this time.
