“ *Uncle John and Danyiel,
We sure will miss Aunt Bernie. I have so many wonderful memories of her at your house in Bad Axe and in our house in Lapeer. Aunt Bernie was always smiling, hair in a beautiful chignon and a warm and welcoming hug every time I saw her. She always made me feel so special and loved. One of my best memories is that every year she made me a special plate of Christmas Wreath cookies (my favorite) so I didn't have to share with with my brother or my dad and could eat every last one! I loved that she always had a candy jar on the counter - sweets from such a beautiful and sweet woman. I can only imagine the many many many wonderful memories you have with her and hope they keep you comforted in the difficult days ahead. All our Love, Lisa and Jim Sasko and family*
