“ Betty’s family,
Betty was a second mom to me because my mom passed away earlier. She, like my mom, came to all family functions that made our family activities more meaningful and a lot fun. She was a “MOM”. Years past she would invite me to her ladies’ luncheon. It was special and I had so much fun sitting around with them exchanging opinions, thoughts, stories, and jokes . At family functions, she would say carry on, don’t bother with me, but she was no bother, she was very important. She brought out the best in people. Her reading encouraged me to read more books instead of watching t.v. Her comment for reading was “keep that brain going”. She crossed-stitch a blue bird on a sweatshirt that I still own. What a beautiful job she did!!!!
I will miss her dearly but I know she is with all our loved ones who have passed away. They are watching us every day and will help guide us if we ask.
Love, Patty Chieski
P.S. I asked Betty to say hello to my mom and dad, Joe and Mike.
