

Brooklyn Marie Duggan

September 29, 2017 - September 30, 2017

Brooklyn Marie Duggan gained her angel wings in the arms of her loving parents Matthew and Kaitlin Duggan Saturday, September 30, 2017, at Flint Hurley Hospital. Brooklyn was born on September 29, 2017.

With her short time in this world she has touched many lives. No words can express the void she has left in the hearts of our family, but we all feel immensely blessed by God to have had her in our lives. She will always remain close in the hearts of all of us, and we find great comfort in the fact she is among family members in heaven

“These are my footprints, so perfect and so small. These tiny footprints never touched the ground at all. Not one tiny footprint, for now I have wings. These tiny footprints were meant for other things. You will hear my tiny footprints, in the patter of the rain. Gentle drops like angel's tears, of joy and not from pain. You will see my tiny footprints, in each butterflies' lazy dance. I'll let you know I'm with you, if you just give me the chance. You will see my tiny footprints, in the rustle of the leaves. I will whisper names into the wind, and call each one that grieves. Most of all, these tiny footprints, are found on Mommy and Daddy's hearts. 'Cause even though I'm gone now, we'll never truly part.”

“ *Matt & Kaiti, I am at a loss for words. Just know I am praying for the both of you. Brooklyn was the most beautiful baby I have ever held in my arms. No words I can say will take away your pain, but please find comfort knowing how much Brooklyn was loved by all. Her little fingers and toes were absolutely precious. She will never be forgotten for she is etched in our hearts forever. I love you both!*
