“ *Prayers to the family of Caitlyn and may the grace of God be with you all!*

She was a very bright person to be around because she knew how to light up a room when she entered it. I'm privileged to have known her in high school and see what she meant to everyone. It is a tragedy to see her leave this world too soon. Heaven has surely gained an angel and she will continue to look down and watch all of you through this difficult time. May she find peace and may your family find comfort in this difficult time. Wherever she may be now I know for a fact she will have that same smile on her face and her laugh will be energetic to have those around her laughing as well.

God bless!

“ To Caitlyn's family, I am so sorry for the heartbreak you are facing. I pray that God brings you the peace and lays a healing hand upon you.

I knew Caitlyn back in the day. Saginaw days. We worked together at Genji. Caitlyn was a few years younger than me but that never matter, she was like a little sister to me. She was such a beautiful person, so much fun to be around. We had a blast, always laughing and joking. I don't know what happened but we lost touch over the years. About a year ago I messaged her on FB. We caught up a bit and she filled me in on the what was going on in her life. I was completely shocked. I would have never guessed that Caitlyn would have to struggle like she did. I pray that she is finally free from what was holding her down. I pray that she is finally at peace. I know she was greeted by many beautiful angels. God bless Caitlyn's family!
