“ *Clema was a ray of sunshine and a laugh like no other. She and I shared many laughs and tears together. She was so funny always made my day be able to share conversation with her. Clema was so proud of her son becoming the man he is...She adored her grandchildren as well as her future daughter in law. She and I shared many lunch hours in my room when I was in the hospital, she was a great true friend I miss dearly. Fly High Clema ...*
