A member of the Bad Axe Free Methodist Church, Deb wore many hats in her lifetime. She was a manager, an Occupational Therapist, and she worked as an EMT. The hat she was proudest to wear though was that of Mother. Above all, Family was everything to Deb. Her idea of the perfect day was just to have

all her family under one roof. She had a wicked sense of humor and always went out of her way to make sure everyone was included. You didn't have to be blood to be a part of her family, and once you were in, there was no getting out. She leaves behind a great legacy and so much love.

In light of recent events there will be no showing or funeral services at this time.

Memorial Contributions may be sent to 230 W Richardson Rd Bad Axe, MI 48413

“ You were my heart and soul. We walked together hand in hand through what we called life. When you needed a lift, I was there. When I needed a lift, you were there. Not sure how to do this without you, but I will because you will haunt me if I don't. Life will not be as fun without you here to crack a joke and make a funny face. About the only thing that was different about us was that you liked scary movies and I liked not watching them. Say hi to the family and my mom. I will see you again my great friend.

“ Deb, you will be forever missed. You leave behind an incredible legacy. You loved us all! You didn't care who it was, if someone one needed something, you went without, to give it to them. You could make us smile or laugh in the worst of times & in the best of times you kept us in that laughter. You had one of the biggest hearts & I was blessed to be your sister in law. You can now watch over us from above; be along side those that you have missed so greatly. No more pain, no more suffering, just whole & safe in Jesus' arms. I love you & will miss you always.
