“ *I moved from the thumb area in 2005 after living there nearly 25 years. I worked at HCMCF during that time and also knew Delphine through attending St. Columbkille. She was one of the kindest and thoughtful women I have known. She knew my mother through working at the Church on different projects. Delphine would write to me occas. and let me know she checked on my mother, father and husband who are buried there. I am so very sorry for your loss.*

“ *I'm so sorry to of death. I'm a member of Tops and so was she. She was a wonderful and caring lady. She was always sending cards to us. At our Tops meeting , she was always the one to make coffee and pass it around to everyone. Then was sure to put the coffee pot away . We will always miss her. Prayers for the family to get through this difficult time. May she rest in peace.*
