“ Donna and family,

*I am deeply sorry for your loss. I am thinking of all of you during this difficult time and you have my sincere sympathy. Doug was one of a kind. He was truly a joy to work with. He was so full of life. He was a hard worker and everyone who worked with him knew his commitment to his job. Also, he loved to talk about his family and friends and enjoyed them immensely. He was always talking highly about his kids and his wife. I remember how excited he was when his first Grandchild was born. :) He was so proud! He will be missed by so many. Sending my prayers to you and all of your family.*
