“ *Margaret, Katie and Al,*

Each of you are in my thoughts and prayers, and you will be for a long time. Although I wasn't able to know Doug personally, I know that he was a good man by how much love you showed him, and by the stories that you shared with me. Although I sincerely wish the outcome was much different, I will not forget the two nights that we shared together. You are a remarkable family so I know that he was a remarkable man. May your faith and your happy, loving memories bring you comfort following this heartbreaking loss.

*Wishing you peace,
Lori*
