“ *So many wonderful memories of Elaine and Ray. Elaine ("Mrs. Errer" to us Slavin kids 60 years ago) made the best chocolate chip cookies. The cookie jar was on the counter just inside the kitchen door. One could open the door just enough to reach in and get a cookie. We thought we were getting away with it until she put flour in the cookie jar. Our brother Jim got caught "white-handed". Glad he got there first that day. What a clever way to teach a lesson.*
