“ *Jerry, Kathleen and all of Florence's family. We were so sorry to hear of Florence's death. She was always a wonderful person; she always said Hi and asked how everyone was. She had joined her sister Irene and brother in law Robbie at our annual Elkton car show and loved to see all the car buffs. May you rest peacefully and see all your family again in heaven.*

“ When I started work at Huron Behavioral Health Florence was the first face I saw when I entered the building. She was kind and gentle and Peaceful and so helpful. I only worked there for a short time but she made such a lasting impression. Whenever I'd see her in town she always asked of my health and the health of my family. A dear, sweet loving lady. My sincere condolences.
