“ My condolence to the family.
I have a lot of memories with Gary and all were Good.
I worked with Gary at Warren Truck for many years. We commuted to WTA and I got to know and respect Gary as a Great Person. He was always very knowledgeable and dependable.
He was very supportive in the skilled trades training. He helped set up and design training for Welder Repair and Electricians. He truly was a great asset to skill trades and WTA. He will be missed by many.
God Bless the Family in this difficult time.

“ The dad my dad became a Bugga is the day he always dreamed of. He instantly became the biggest softie! He was so incredibly proud of all of his grandkids and loved spoiling them! They loved their annual summer at Camp Grammie and Bugga, BINGO at Christmas, and getting texts with Bugga emojis! He was everyone’s hero! He will forever be missed!❤️

“ My favorite memory with my “Bugga” is playing putt putt together every summer and walking the boardwalk afterwards. I hope he plays all the putt putt he wants in heaven ☐
