“ So sorry to hear about Glenn. I didn't know him for a very long time but we would visit when he would come into the store in Ruth. He would stop in on his way through to buy something and before I knew it 20 minutes went by. Very nice guy.

“ Clare & Family: Very sorry to hear about Gooch - your obituary was very good and described him to a "T"! I had gotten use to getting calls from him on the road, especially when in Nebraska because our son and daughter-in-law live in Omaha. He had a lot of fun back in June because we were driving cross-country to visit our daughter in Portland. He checked in pretty regularly and the first thing was always "where you at??" He will be missed.
