“ *We were so sorry to hear of Gloria's passing. She was such a lovely person and we always enjoyed talking to her whenever we went to the Pasta House, when she was working there. She always talked about her family, that you could tell, she loved very much! Our thoughts and prayers are with all of you at this time, and may God bless you with His love, peace and comfort now and always.*

“ *I will never forget how kind Gloria was to me when it seemed like I didn't have a friend in the world freshman year of high school. I will cherish the memories of what seems like a million sleep-overs in Minden City. Thank you Gloria for being such a kind and accepting and fun friend. May your family find comfort in how beautiful a person you were, inside and out.*
