“ Prayers for the family. I have many memories of Cappy including his love of helping with the passing of gifts at the breakfast with Santa, also my love hate relationship with his horseshoe games that my husband was usually late getting home lol. I am happy now more than ever that my husband was able to have not only those times with Cappy but also the times at the TVO Hall! He was a great guy and will be missed by many. Prayers for all of you in the coming days and months ahead.

“ *Noel Ray Jeff So Sad to hear of Gregs passing! Greg and I had so many great conversations of the Super Bee including a power run with him rowing the gears, softball, the neighborhood and just life. He always had that guaranteed smile anytime we met. I'll miss any more chances catching him outside when I drove by, and maybe even a peak at the BEE. HUGS to you all. Your Friend Al McKnight*

Well I'm Barbara Crow-Hendrick and he wasn't loyal to you, we met a lot and we were in the Cemetery of where his parents, sister Rita and his brother in law Denny Morin are buried, he told me that you stole his credit card and spent \$11,000.00 and I know that he was going to divorce you, I was at your house and in the garage when Greg put hotdogs 🌭 on the grill, I was at Saint Columbkille Church with your sister in-law Sheila Maurer-Morin and we were dancing to the polka music and your husband Greg learned that I had an Adult Foster Care in my home called The Crow's Nest on Hospital Dr in Cass City, right down the street where you worked.

You know that Greg was the 1st one to drive my Cadillac C T S in 2007 and I gave him a vcr tape of when I was on The Price is Right. He told me that he should have never married you and that he should have married me. I saw your picture on Facebook.
