# Tribute Wall

“ Rocky you were my second child. You were very special to me from birth, you were my name sake. Your Mom did not like you being named after me and called you Rocky. Well Rocky kind of fit as you had some health problems after birth. Someone gave you a penny when you were very small, and it stuck in your throat, you nearly starved to death. It was easily puled out and you became a normal child ( Thank God ).

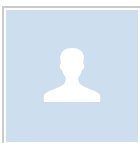

*Rocky, I have missed you and your brother and sisters for many, many years, that's what a divorce some times gets you. You were held from me for money (GREED, RANSOM) and I can't forgive your mother for this.*

*I love you all and will soon be joining you as I have turned 82 years old and having more health problems. I will be joining YOU MY SON*

*Harold Roger Nichols Sr.*
