“ *I grew up being great friends with Howard's kids. Howard and Gloria always treated me like their own. Allowing me to come over to their house and hang out with them, stay the night. Howard was an amazing guy. A comment that he said to me that stuck with me all these years, "you're an amazing friend and you have a great impact on my family. Never change." Life throws us curve balls, but I'll always listen to this man. He will be missed but his legacy will live on forever.* ”
