

## Ignatz Walter Storckle

July 19, 1934 - January 16, 2021

Ignatz Walter Storckle, 86, passed away peacefully with his family by his side on January 16, 2021 at McLaren Thumb Region.

Walt was born on July 19, 1934 to George and Velma Storckle in Illinois. He joined the United States Marines in 1960 and served until 1963 with an honorable discharge.

He married Helen Janik on February 13, 1960. They had four children Donald Storckle of Clinton Twp, Donna Storckle, Dennis Storckle and Doris (Don Sr.) Boyce all of Bad Axe.

Walt retired from the City of Bad Axe where he did maintenance and running the park and ice skating rink where we as kids spent many hours skating. A lot of kids loved Walt because of his countless jokes. He was a hard worker and passed that down to all his kids. He loved to tinker in his garage and sheds and took care of his house and yard up until his passing. He would help out his neighbors with anything he could! Even plowing the snow covered road so people could make it to work. He loved to "bullshit" with anyone he would see and even enjoyed having coffee at McDonalds with the guys. He was a great husband and dad. Walt will truly be missed by everyone.

Walt is survived by his wife, Helen of Bad Axe and his children Donnie,

Donna, Dennis and Doris (Don Sr). His sister Joyce Leoffler of Gagetown and several nieces and nephews. His grandchildren Jennifer and Ken Hallock of Bad Axe and great grandson Hunter. Also his special buddies Gizmo and Barnabee.

Family would like to thank Huron County Medical Care Facility and McLaren Thumb Region, all who were Angels who took great care of him.

Funeral service will be held Wednesday January 20, 2021 at 11am at Kaufman Funeral Home in Bad Axe. Burial with military honors will be held at St. Columbkille Cemetery. Visitation will be held on Tuesday January 19, 2021 from 2pm to 6pm at Kaufman Funeral Home and Wednesday at 10am until time of service.

Memorials may be made to the local Veterans office or to his family.

Face masks required due to the ongoing pandemic.
