“ Tim, Sorry for your loss. Although we've been out of touch for awhile, I'll miss Jane " the brain " Sorensen. I think Jeff Bobb gave her the nickname and it just stuck. (the old Arnold Drug days.) She and your family will be in my prayers. Gary Krause

“ What I remember most about Jane was the fun (weekend after Labor Day) parties that she and Tim put on for their friends at their home. The pond was a perfect setting gathering around the fire and seeing friends. I remember staying late one night to play music when the hosts had already gone to bed and Jane later told me that the Moody Blues song I sang was the perfect sleep aid. Not sure if that was a compliment or not, but it got the job done. We sadly lost her way too young, but I won't forget the sweet, friendly person she was.
