“ *Janet was my mother, and I remember her lively and spirited as she often was. She loved her family and friends with a glad and generous heart. She was always on the go even later in her years before health problems set in. I loved Mom and will forever remember her determination, strength and kindness. Mom will be terribly missed in all our lives.* ”

“ I know Janet as a jovial lady. Our conversations were always interesting. She was also a reliable Red Cross blood drive volunteer. I will fondly remember her. To her son Earl and the rest of her family I give my sympathy. Rest in eternal peace Janet.

“ Sending my condolences and prayers to her family during this time. I worked at the same place as Janet and was always so happy when I got to work with her and AnnMarie. I dont think we worked other than our mouths but boy did we have some great laughs. I will never forget her laugh and all the great things we talked about and shared together. I'm sure AnnMarie is waiting with a cart in Heaven.....Some great memories.....
