“ *Although I didn't know Jaynee, I wish to send my deepest sympathies to your family. I know how hard it is to lose someone you love, for I have lost several friends and family members over the years. Yet, there's something that has always brought me great comfort and I wanted to share that with you.*

The one thing we want most when we lose someone in death is to be able to see them again. This is no mere dream, the Bible promises that soon we will have the chance to see again all those we have lost in death. John 5:28, 29 says "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." Yes, soon you will be able to welcome Jaynee back in perfect health to a beautiful new paradise earth. What an exciting time that will be!

Right now the pain of death affects us all greatly. We look forward to the time when Jehovah God will "swallow up death forever." (Isaiah 25:8) May you find much comfort in the Bible's promises. My thoughts and prayers are with your family during this time of loss.
