“ *My dear Josh, You were one of my "boys", a great guy, friend, great listener, so polite, thoughtful, generous and I could go on and on. I loved those eyes with the sparkle in them, and your smile was so catchy. We loved it when yourself and Raymond would come out, to sit outside, pick and rake apples and make cider with us, or just sit at the dining room table with the girls and myself and just color for hours. All the long talks, laughs and tears we've shared will always be cherished. All the memories I get to keep of being your bus driver too. You will always be in my heart, soul and prayers. I Love You Buddy.....Kathi. L.*
