“ *We were saddened to read about your loss of Judy. We pray that you find comfort in our Creator's promises to reunite us with our beloved ones again, in a youthful world, where the causes of pain and sorrow will be a thing of the past. How exciting it will be to see her again doing all the things she loved. Forever find comfort reading Isaiah 25:8, which promises that our tears of mourning will end when death is done away with. Our sincerest condolences to the Family.*

“ Judy was a dear family friend to both my husband and I and our daughters. The girls grew up while visiting the bank and Judy's contributions of little mice and bunnies brought joy to their collecting. Our standard golf Fore-some for a few years of Sabina, Pam, Judy and I brings smiles and laughter to us as we have reminisced. At the many house parties and golf events together with Bill and Judy, I quickly learned what a giving sweet friend she was. Our first grandchild was born on her birthday which we hold special.
