Uncle Julie was a humble, hard-working man who lived an honorable life. There is no better legacy to leave, and his apples certainly don't fall far from that strong tree.

Uncle Julius was always a great person to run into as he always had a comment or question to throw my way, which could be humorous or some times serious.

I remember that Mom & Dads wedding anniversary was also on Valentines Day. I always enjoyed running into him.

Deb, Please share my sympathies and condolences with the rest of the family. I will try to make it to the memorial service, if I get the future date.

Sorry for your loss, but cherish his memories..
