“ Bill and I will always cherish our Holiday visit with Alvin and Kathleen. We shared laughter, heartfelt memories and a few tears as we wished each other Merry Christmas. As I hugged Kathleen goodbye, she smiled the smile that captures the joy of the season. That is how I will forever remember Kathleen...smiling. May God continue to bless Alvin and their amazing family.

“ Kathleen and I go way back, stayed at her house many times, (Grandma Hessling) and was Maid of Honor at her wedding. Made sure she was invited to our Christmas gatherings up to COVID. So loved visiting and playing cards with Elvin and her. She was well cared for in her last years. So loved to see the photos of her and Elvin at Meadow Lane. She had the smile of smiles most of the time, just like she has in her picture here on her obituary. She had a happy life and has made many memories with her family. Her presence will be missed, especially as a mother. Moms are not replaceable. My sympathy to her family for your loss.
