“ I just was told of Kathryn's passing. She was such a strong willed lady who kept her fight to the very end. The last day I saw her was on Friday, she was looking at her photo albums and said how glad she was to see me. I promised I would bring her gum in tomorrow but am saddened to know that she won't be there. She was my absolute favorite. I loved her spunk and determination. Bashful blonde color and favorite saying "That's not the way they did it in Bad Axe!!" I will truly miss her;(I can say that her family was amazing and she was really loved. Rest now my sweet lady!! I will miss you a lot. I am so sorry John,Rosemary, and Karen for you during this time of sorrow.
