“ My wife was caregiving for her mother for two years, it can be a hard job. A knock at the front door, in walks Eric with a freshly made pan of seven layer bars. He said Kay told him to drop them off to us for a treat, her thoughtfulness is what will always be remembered. Caregivers need a hug or a person to talk to occasionally or seven layer bars!

Thank you Kay

“ Dear Eric & family and the Stacer family, I am so sorry for your loss, and life without Kay is just that, a feeling of loss. Kay came into my life and heart in First Grade at Sts. Peter and Paul school and remains there today. We had so much FUN together in school through high school! Although through life's journeys, we lived many miles apart, our hearts were always connected and when we did connect it was so joyful! I feel blessed to be, as Kay said recently, sisters of the heart. Keeping all of you in thought and prayer.
