I played little league baseball, and high school basketball, baseball, and football against Kurt. I remember him as a very talented athlete, a fierce competitor, and a very friendly person. Though we were rivals, when I crossed paths with Kurt he was always friendly and gracious. My thoughts are with the Belew family at this time. He was a good guy.

My condolences to Kurt's family. Kurt was a good friend of mine. We played football and basketball in high school together. Then played many years together on men's softball. Kurt was one of the most gifted athletes that I have ever seen. I will really miss him. Sending prayers and to all.
