“ First I would like to send my prayers out to Kurt's family. So sorry for your loss. I knew Kurt for a long time. we worked together at TTE for years. We also became good friends. We hung out a lot together since he just lived down the road. he would come down and we would play pool and darts often. He was like a son to me. He did have a very distinctive laugh which I heard often. I will miss him a lot.
