“ *Uncle Lee: What a great man! You loved life, so happy, always smiling and you gave the best hugs I loved playing cards with you and sharing dinner with you and Dad and Nancy, you always made me laugh. I loved hearing all the stories about when you and my dad were young and how you would sneak into to county fair, and all the other mischief the 2 of you got into! I loved how you would tease my husband and how you called him" putts," and how you would take my dads apple pie and tell him that Nancy made it for you and not him. It was a pleasure to be around you. I am honored I had the opportunity in my life to know you and to call you my uncle. This world was a better place because of you and I will miss you.*

“ Kristie and Gail, I'm so sorry that Lee was taken from us so soon. I do not remember a lot of the time that Lee and I shared with our parents and Grandma in the stone house, I do have pictures of Lee looking adorable while we sat side by side in our strollers. I also have heard stories of how we chased Grandma around the house. As adults, miles may have separated us but, I always thought of Lee as a very special cousin. God grant you peace and wonderful memories. Janet.

“ To a life long friend that I share a lot of memories with. Our days in country school, many hours of baseball and together playing our last year of the game we loved in 1961, with the North Huron Yellow Jackets. I will always remember our last lunch together at the Past House in November 2016 with my brother and sister. Great visit with many memories once again shared. A good man, a good friend that will always be remembered. R.I.P. my friend.

Lee was quite the guy. I was just looking at or Class reunion pictures from 1984.(our 20th) What GREAT MEMORIES. Lee always had a smile on his face. We really had some GREAT times in High School and after (I better not share them) haha

*Kristie and Gail,
I was so saddened to hear of Lee's passing. Last time I saw him was at Mom's {your aunt Betty's} funeral. He looked so good. Mom had told me once that he was so happy living on the farm. She enjoyed playing cards with him and visiting him. I miss the old days when we were all growing up and times were simpler. Take care of each other and know that the Whitekus family is praying for you.*

*Love,
Liz Whitekus Tepsic [your cousin]*
