“ *We are very deeply saddened to hear that LeRoy won't be here with us on earth anymore...but we do know that he is now watching over all of his family - like Angels always do.*

We will never forget your wedding....we had such a great time - even after I fell down the steps and landed at Judy's feet at the bottom of the stairs...

LeRoy - you will always be remembered with Love...We Love you Judy...Our Deepest condolences and sympathy. You and your family will be in our prayers....
