“ Linda’s son Tim is my son-in-law. I met Linda and James at Tim and Stephanie’s many years ago. Such a lovely lady who took to my grand daughters as her own. That’s who she was, very loving and genuine. May she now RIP and I thank her dearly for having such a wonderful son married to my daughter. James and the rest of the family may God give you comfort.

“ I will always remember Linda as the best babysitter. She would let me go through her purse and marvel at all her “ girly “ things, lipstick, makeup, and always gum. She also had a small picture album with bunches of senior pictures to stroll through and of course Jim would come for a visit. So kind and generous to our family of ten children. May Gods loving arms surround this family. Jennifer Perdue Czarnik

“ I can't express how much I will miss my dear friend. I know I will see her again in the Paradise, that has been promised and is as well as done. But in the meantime I will miss her friendship, her laughter, her sense of humor, and especially her soft as a marshmallow heart that she disguised in a tough outer shell. But I knew her. She didn't fool me. No one was kinder.

“ I'm so sorry to hear of Linda's passing. My thoughts are with the family. I've known Linda and Jim since my daughter, Emily, began staying with her in 1978. Linda always made her extra kids that they were part of her family. I cherish the memories my family and the Booth family had together. Even though I haven't seen her in a very long time she is always in my heart, thoughts and prayers. God bless you. Love Julie Anderson 🙏❤️🙏
