“ *I wish to express my deepest sympathies to your family. I can only imagine the pain you are experiencing with the death of your child. There's something that has always brought me the most comfort, and I wanted to share that with you.*

No doubt the one thing you long for is to see your son Lucas again. The wonderful news is that this will for sure happen in the near future. At John 5:28, 29 Jesus said: "Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out." Yes, soon you will be able to hold Lucas in your arms once again as you welcome him back from the memorial tomb (grave) to a beautiful new paradise earth. What an exciting time to look forward to!

Right now death grieves and pains us all. We long for the time when God will "swallow up death forever." (Isaiah 25:8) As we await that time, may we continue to find comfort in the Bible's promises. May we also continue to learn about the true God, Jehovah and his son, Jesus and continue obeying them so we may be there to welcome our loved ones back. (John 17:3) Again, my deepest condolences go out to your family in this most difficult time

We are so very "sorry" for the loss of your "precious" little one Lucas. Such a beautiful little boy! Though I never met him I know his grandma Kay. From his picture he looked so beautiful, so precious! There are no words other than prayer, which we are doing. Your little angel is in Heaven with God. Though you cannot hold and cuddle him you can hold his memory so close to your hearts! Peace in Christ, Chris LaBerge and Family
