“ Loved her. I used to hang out w Loretta in our horse days. Spent a lot of time at Hools. And the Wagon Wheel. (Later WW as an adult...fun) The first time I flew was w Loretta, her mom, and Lynette at the wheel. She had just passed her solo. She did a trick in the air, which was a thrill. She was always kind to me. Man, she could sing. My fav was Old Shep. Great memories. Then she met him on a Monday and his name was Bill.
