“ I’m sadden to hear of Margaret’s passing. Over the years I had a lot of interesting and enjoyable experiences with her and Steve Sr. She was a hard worker and you never had to guess what she her mind. Kathy and I will out of town next week and will not be able to attend the funeral and personally offer our condolences. Dan Cregeur

“ Marge was a beloved sister-in-law and friend. I will miss our late night card games, hosted by Marge. They were always followed by nearly everything Marge could pull out of the refrigerator & cupboards. No one left Marge’s hungry! I enjoyed Marge’s “colorful” expressions, one of the many personality traits that made her special to me. Please know I share in your grief and extend my sympathy to the family. God speed Marge! Love to all, Roxy

“ *Marg made the best apple pies. She insisted that only certain kind of apple be used which I forget the name. It didn't matter whether you were a stranger or a family member she always greeted you with a cheerfull spirit and made you feel at home.*
