“ *My sincere condolences to Ron and Charlotte. Your mother, Molly, was always great friends with my mother, Dorothy, They were first cousins, and I always thought she resembled my grandmother, for whom she was given the name Matilda. Molly and her mother shared a family resemblance to my grandmother, who died when I was five or six. Molly always had a warm smile and a sweet disposition. RIP Molly!  
P.S. Say hello to my mom for me!💕*

“ *Dear sweet Great Aunt Molly, you will be missed, your love and huge smiles and hugs will never be forgotten. I was honored to have Aunt Molly as my Godmother. Her unconditional love she had for everybody is something I've always tried to live by. I feel truly blessed to have had her in my life. God Bless, Ronnie and Charlotte, please give them strength to get through this difficult time. All my love.

*To Molly's family. I worked with Molly at Huron Medical Care Facility, she took me under her wing and taught me all the ropes and shortcuts. She was truly compassionate with the patients and knew how to make them laugh. What a fine lady. May you be comforted by your family and friends at this time.*
