“ *I'm so sorry for your loss. Patty and I lived together for a year in Flint, while at Bakers, we had some great times, especially Thursday nights. Whenever I hear BTO & Meatloaf, I think of her Pam Grates-Burkhard*

“ *Where to begin... Patty was one of my best friends through high school. We had lots of fun and got in some occasional trouble. Imagine that!! Though we lost touch after school I have many great memories of Patty. I had the pleasure of meeting her beautiful daughter and send love and prayers to her and the family. Vicki Schmitt Affholter*

“ *We are so very sorry to hear of Patty's death. We didn't know Patty very well, but we would wave to each other, and say a quick hello! when she was out in her driveway, or back deck. Jeana and Ryan, if you need anything at all, please let us know. Our condolences to you. Your neighbor's, Paul and Shelley Fulton*

“ *Patty was a regular at the Shell station where I work. She was in almost every day, twice a day for her pop and lotto tickets. If I wasn't up by the register, she'd make sure I knew she was there by yelling "Hello?? Is anybody home??" There were many times when I'd follow her out to her car and talk to her while she scratched her cashword. She went from being my favorite customer, to being one of my best friends. I loved our casino trips where we'd catch up on the latest gossip and just talk about whatever.*
