“ *Uncle Ralph was a truly great man, Uncle, husband, father and Papa. We always had great times of fun and laughter reminiscing of days past with my Mom and Grandparents.*

*He was always there to listen no matter what the problem was but more importantly, a great friend to all who knew him. He will be sadly missed by us all but we know that he's with the Lord and has received his wings!*

*We love you and always will,
