“ I worked with Ray at The Huron Daily Tribune. I always enjoyed talking to him. I was so sad when he retired. He brightened my day. And he would bring me chocolates at Valentines, Easter and Christmas. I would share treats with him. He will be greatly missed. The jokes he must be telling in heaven. My condolences and prayers are with his family.

“ I used to work with Ray at the Huron Daily Tribune. Ray was a great guy. He was funny. We used to tease him about the duct tape he would use on his truck and he would always laugh about it. My deepest condolences go out to his family. RIP Ray and may you fly high with your new wings and may you be at peace now.
