“ When we would go to grandma Claras' Bean Pot for the holidays, Uncle Buck would open up the jukebox and put a hundred plays on it so us kids could play Christmas songs or whatever was on the jukebox. I went fishing with Buc and my older brothers once over by Bay City and when we found a good fishing spot, Buck would drop a shiny dime in the water to mark the spot. I always looked forward to seeing Buck and his family every time we traveled to Bad Axe.
