“ *Sheila my beautiful hippie queen, thank you for the light that you shined into my soul, I will forever be changed, and be a better person for your presence in my life. I would gladly take your place if I could convince St Peter to let you come back and take me instead, this world is a much beautiful place with you in it. Your unique beauty was so beautiful for this world. I will always love you, and my heart will forever remain yours. You saved my life when there was no one left who cared. May you rest in peace, and hopefully find plenty of beautiful fields to run and dance through in heaven, until we see each other again. I love you Sheila my guardian angel love forever Ricky Preston*

“ *Sheila was a girl with a big heart for adventure and love. She was genuine and welcoming as a young girl when i had opportunities to be with her and her mom. I send heart felt wishes of comfort and peace to her boys, to Charlotte, my BEST friend, her family - Matthew, Grandma Molly, Uncle Ronnie and Aunt Angie - and all the cousins and friends she gathered in her life. A beautiful girl -- we don't always know why, but must trust God in his decisions.*
