“ *I will always be grateful to Sheri. She was fair and unbiased toward me in her job at the Deeds office in 2004 when I was starting the ministry that eventually served Thumb homeless people from 2010 to 2018. We had a lot of difficulty with with previous title mistakes as well as litigation among the people I encouraged to come to Huron county to help in the ministry. We were short of money and many people just wished we would go away.*

*Sheri knew and did her job well--and was as kind, cheerful and helpful to me as she was to the wealthy and prominent people.*

*Thank you, Sheri.*

“ My deepest sympathy to the Stanton Family. I worked with Sheri in the Register of Deeds for 5 years. She was hard working, loved to laugh, had a lot of great stories to tell, she loved her family, friends and animals. Sheri was one of the kindness people I knew. Kevin and Charles you came in the office several times and I could see the love she had for you and how proud of you she was. May it help to know that others care deeply and are remembering you with special thoughts. Rest in peace, my friend. -Cindy Bischer Hollin

“ Working with Sheri at the Lake Township hall was always fun. She had such a quick wit. Sharing her opinions with us left us laughing or shaking our heads. It was never a dull moment when Sheri was in the office. My life is so much richer for having known her. Sheri is truly unforgettable. May God Bless all who are missing her.
