“ I always enjoyed knowing Stephen as a neighbor and student. He always had a smile and was super polite. He also had a friendly demeanor and a generous spirit. One summer when he was young I picked him and my kids up from the Summer Sizzlers program as Michele and I were taking turns driving. Stephen was enrolled in the cooking/baking class. Each time I picked him up, he would show us what he made and offered to share it. On the last day, he baked something especially for me to say thanks for helping with the driving. He made my day! What a sweetheart.

“ Stephen was one of my favorite employees at Subway in Bad Axe. I worked with him for 3 years. He was always so kind and polite and did his job well. We remained friends after he spread his wings and moved on. I pray for his family that God carries them through with all the memories they have in their heart. He will forever live.....From your friend Vicky.
