“ I always enjoyed visiting with Tom and hearing about his love for his family and the outdoors. He was always smiling as he whistled a cheerful tune and when I finally asked him his secret he was eager to share his vinegar ritual! He will be sadly missed by many and I would like to express my deepest sympathy to his family - he loved you all and loved to talk about you and share his fond memories. I pray your fondest memories will bring you comfort in the days ahead.

*With deepest sympathy,

“ *So sorry to hear about Tom. He visited my Uncle and I when we lived in Newark, Ohio. He came to visit his sister Nancy, who was not far from us. He came recently to my Mom's 70th surprise party of which I am grateful he could make. He will be missed dearly. Play an Air Supply song for him :) Love, Katie*
