“ Tina was a great nurse and so lucky to have worked with her at HMC. She could make the most horrendous shift in the ER not so bad. Her firmness and humor was a great combination in that setting. RIP Tina.

“ Always professional and an excellent nurse. I worked with her in Bad Axe and I believe in Harbor Beach also. I spoke with her about my husband within the last six months as she gave authorization for a procedure that had been requested by his physician. Hey Tina, you did not get permission for checking out early and leaving the rest of us behind! RIP

“ My sincere condolences to the family. The Tina I remember was super smart, a great nurse, liked to unwind like a rockstar and had a bullshit radar that she never minded calling you on! She would ALWAYS give it to you straight up! That is what I liked about her the most. So sorry to hear of her passing....
