“ *Judy and Brother;*

Sorry for your loss. It is frustrating to let our parents go, but when their age and health no longer give them normality in life, it is time to let go and know they are at peace.

I share your time of sorrow with you.

Dear Judy, so sorry about your loss, I remember when we use to get eggs from your family, many many years ago, and your mom always had a smile on her face. Jeri (Gordon) Sharpe
