“ Violet was such a blessing to so many as she quietly gave of herself to make the world a better place for everyone who knew her. We had many laughs as we worked together in the Methodist Church kitchen, where Violet was always willing to volunteer. She and Jim were a couple of the most dedicated apple peelers, bringing their own stools and working long after some of the younger bodies had given up. There will always be a Violet-sized hole in our hearts. I will smile whenever I think of her.

“ Violet was such a nice, sweet lady. I remember her volunteering at our Church, especially during our Apple Pie Marathon. I enjoyed visiting with her and Jim at our Church. They were both such nice people and will remain in our hearts.
