“ Peggy and family,

While I was saddened by the news of Wes passing on, I know he's in a much better place, without pain and with so many that have gone before him. Know that there are many who cherished the example you both set as a couple, who put God first in your lives. Thank you for giving many of us that. Prayers will continue to go out to all of you.

“ *Peggy and family: Sorry to hear of the passing of Wes. He was a very nice person. I saw him recently at McDonald's Food Center sitting on the bench waiting while Peggy checked out. Duey worked with him at Thumb Tool and knew him previously from his father Duey Sr. Our thoughts and prayers are with you all.*
